Subject: Replacement Financial Assurance Bond
Brownfield Road C&D Landfill
Wake County, Permit #92-31, Document ID No. 17155

Mr. Pepper:

The Division of Waste Management, Solid Waste Section (Section) has received the Financial Assurance replacement bond submitted as part of the Change of Ownership permitting activity for the Brownfield Road C&D Landfill. The bond was submitted on your behalf by Mr. James Poole of Insure and received in the Asheville Regional Office on August 29, 2012.

This letter is being written to inform you the Section will accept the Financial Assurance replacement bond as submitted. However, the bond is assuring cost estimates, developed by Smith Gardner Inc., that have not been approved by the Section. In addition, a cursory review of the cost estimates, submitted with the bond, has raised some concerns. Therefore, within 30 days of receipt of this letter, please submit a revised Closure/Post-closure Plan, with cost estimates, to Ms. Pat Backus, Permitting Engineer, for review. Any revisions to the cost estimates as a result of this review will be addressed during the next annual adjustment to the cost estimates and Financial Assurance mechanism.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov.

Sincerely,

Allen Gaither
Environmental Engineer
